## Guarantee

We cannot guarantee any trees, shrubs and plants sold by us, other than that they are true to name and free from disease, and hold ourselves prepared to replace, on proper proof, all that may prove to be otherwise; we do not give any warranty, expressed or implied, with respect to them. Any and all such goods are sold upon the express condition and understanding that in case any of them prove to be untrue to name, unhealthy or otherwise defective, we shall not be held responsible for a greater amount than the original price of the goods. In no case do we assume responsibility after goods are shipped, unless for our own mistakes.

No claims for errors or shortages will be allowed unless made immediately upon receipt of goods.

We will not fill long lists for one or two of a kind at less than single rates; we will supply twenty-five of a kind at hundred rates, 250 of a kind at thousand rates. **Samples will be charged at ten rates.**
